ONE NIGHT IN RIO

Schürrle passes, Götze scores...
We are world champions!

ONE NIGHT IN RIO

beginning with the whistle in Maracanã, it ends in Berlin with the triumphal procession on the open top bus through the crowd of the capital city. And in between: euphoria in the game, emotion in the cabin, ecstasy at the hotel.
What a game, what a night!

ONE NIGHT IN RIO

1.000.000.000

Yes, a billion spectators witnessed Mario Götze's golden goal. The outstanding Paul Ripke however, was the only photographer allowed to be close to the world's best players, also in the moment of their final victory. No other photographer was able to capture the private and intimate atmosphere amongst the participants like he did.

Get exactly this feeling for your home! The DFB and photographer Paul Ripke have commissioned Middelkamp KG to create eleven exhibition sets at their finest in the company's exclusive workshop in Bocholt. Each set consists of 27 reportage pictures, 27 portraits and a hand- gilded font plate with the exhibition theme "One Night in Rio".

Kitchen, conference room, office, hobby room, living room... Hang up one of these wonderfully framed limited works wherever you like and feel like a champion!

The framed portraits are works of unprecedented quality. Each national team player as well as the four coaches were caught on camera by photographer Paul Ripke. Using a Phase One, which is a professional camera with 60 million pixels and a 80mm Schneider - Kreuznach optics, each shot was created in skilled precision. The focal plane lies exactly on the eyes; the tip of the nose and the ears are already blurred due to perfectly selected depth of field. The digital images were printed on special paper by the use of lightfast pigment ink. An unsurpassable quality. The works are "floatingly" framed by two glazed wooden strips. The surface is protected by the best museum glass, which is glare-free and provides special UV protection. An exclusive certificate signed by the photographer is enclosed. Moreover each portrait was numbered on the front, in the right hand corner in an unobtrusive way. All in all: "excellent collector - quality". Unique in strictly limited numbers: Worldwide only eleven copies per image.

ONE NIGHT IN RIO

01 Götze, Messi, Red Card, Löw.

In Rio de Janeiro hell has broken loose in the Maracanã Stadium. Over – phew – one billion fans are watching the final of the FIFA World Cup in Brazil in 2014. The national coach Jogi Löw replaced the later decisive goal scorer Mario Götze in the 87th minute. Strong stuff.

ONE NIGHT IN RIO

02 Klose, Final whistle, Champions, 23:36.

Terrific. In the 113th minute Mario Götze scored the only goal. After 120 minutes of play comes the redemptive final whistle. Miroslav Klose is sitting on the bench, beaming with joy and shock. Weidenfeller, Zieler, Khedira, Ginter; almost everybody is storming the pitch with incredible enthusiasm. The game of life is recovered.

ONE NIGHT IN RIO

03 Voigt, Tears, Miro, Deserved.

Incomprehensible. Hans Ulrich Voigt. Miroslav Klose. One billion people are perceiving this. What a moment...

ONE NIGHT IN RIO

04 Cup, Team, Captain, 4th Star.

For the first time tangible. The incredible trophy is in the hands of the captain Philipp Lahm. All the players, the national coach and barely visible, the German chancellor Angela Merkel are witnessing this liberating moment. Unbelievable.

ONE NIGHT IN RIO

05 Philipp & Miro, Basti & Thomas, Fireworks, Team.

Thomas Müller and Bastian Schweinsteiger - without words. Hansi Flick - stunned. Philipp Lahm and Miroslav Klose - friendly terms. Sovereign pleased: Oliver Bierhoff and Andreas Köpke. An emotional fireworks.

ONE NIGHT IN RIO

06 Cup, Blood, Basti, Stairs.

There he is. The fighter of the game. Bastian Schweinsteiger and "the prize". In his expression you can see pride without vanity. And precisely this point distinguishes the team spirit of the German national team. Guys – you are amazing!

ONE NIGHT IN RIO

07 Cup, Grass, Maracanã, Shoes.

Decided fairly. The cup and the medals as a clear sign of triumph. Julian Draxler, Roman Weidenfeller, Benedikt Höwedes, Erik Durm and Christoph Kramer... Joy without end.

ONE NIGHT IN RIO

08 Merte, Poldi, Pokal, Mesut.

Blank madness in their faces. And the familiar photographer Paul Ripke captures this unique moment. Thanks Paul!

ONE NIGHT IN RIO

09 Fans, Cup, Cameras, Maracanã.

Symbolically asserted for one billion people who watched the final game. An incredible moment. People of different nations are united in happiness after many group games. It should be exactly like this. This is football.

ONE NIGHT IN RIO

This is so cool. Totally fancy. This simply cannot be! In this image can be found meaningful details. And Lukas Podolski shares this beautiful moment on a par with his loyal fans. „The family“.

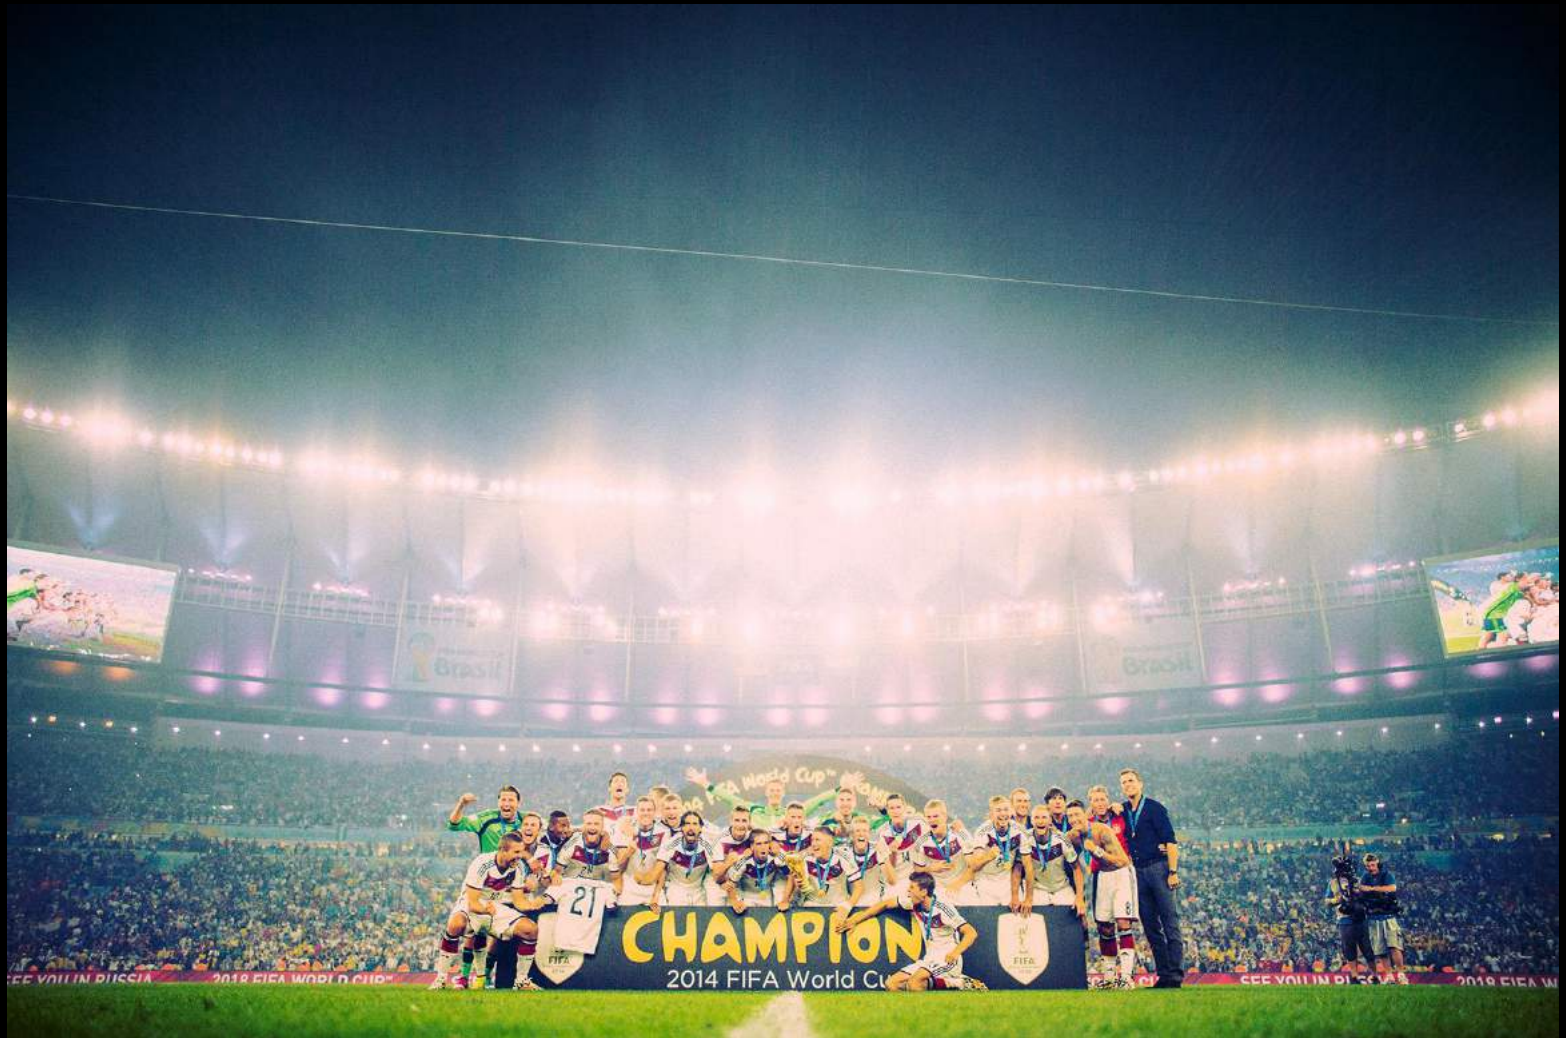

ONE NIGHT IN RIO

Feeling? What is this feeling? One billion people have witnessed the final goal of Mario Götze. And now he sees himself on a totally oversized big screen. Framed by 75,000 spectators. Yes, what a feeling!

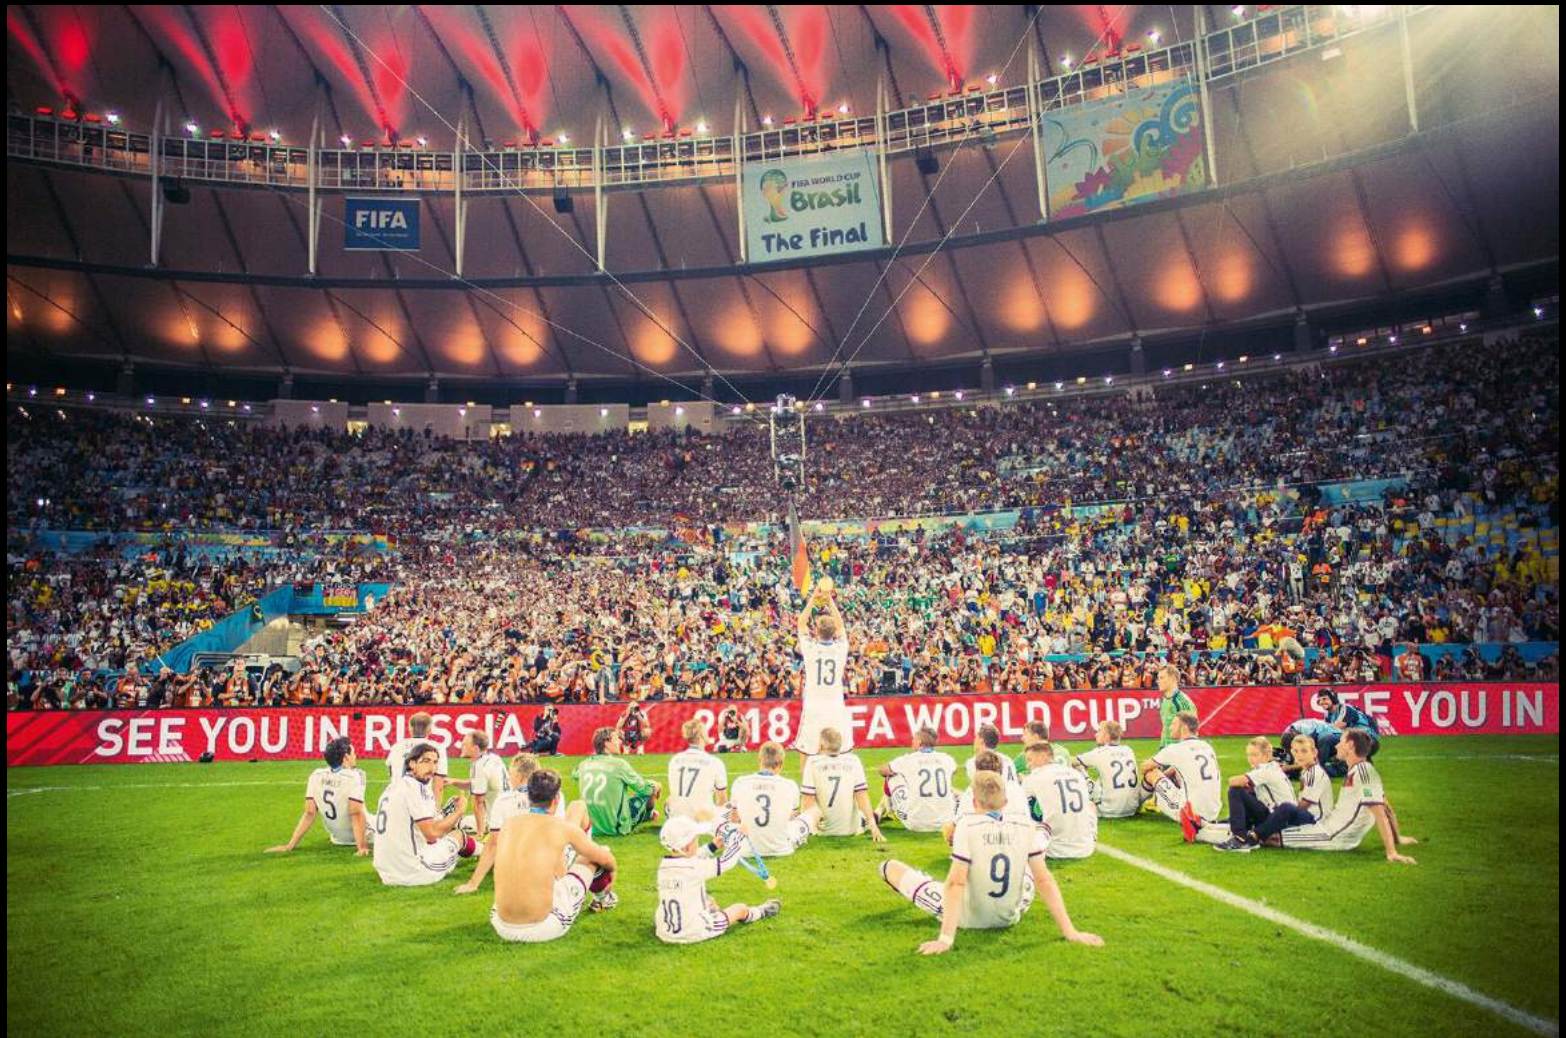

ONE NIGHT IN RIO

15 Toni, Massage, Artificial grass, Clock.

The game is over. 19:54 in Rio de Janeiro. Toni Kroos is waiting in the massage room and reading in a magazine. Artificial turf and neon lights are reflecting their charmingly purist appeal. An image with a strong symbolic content.

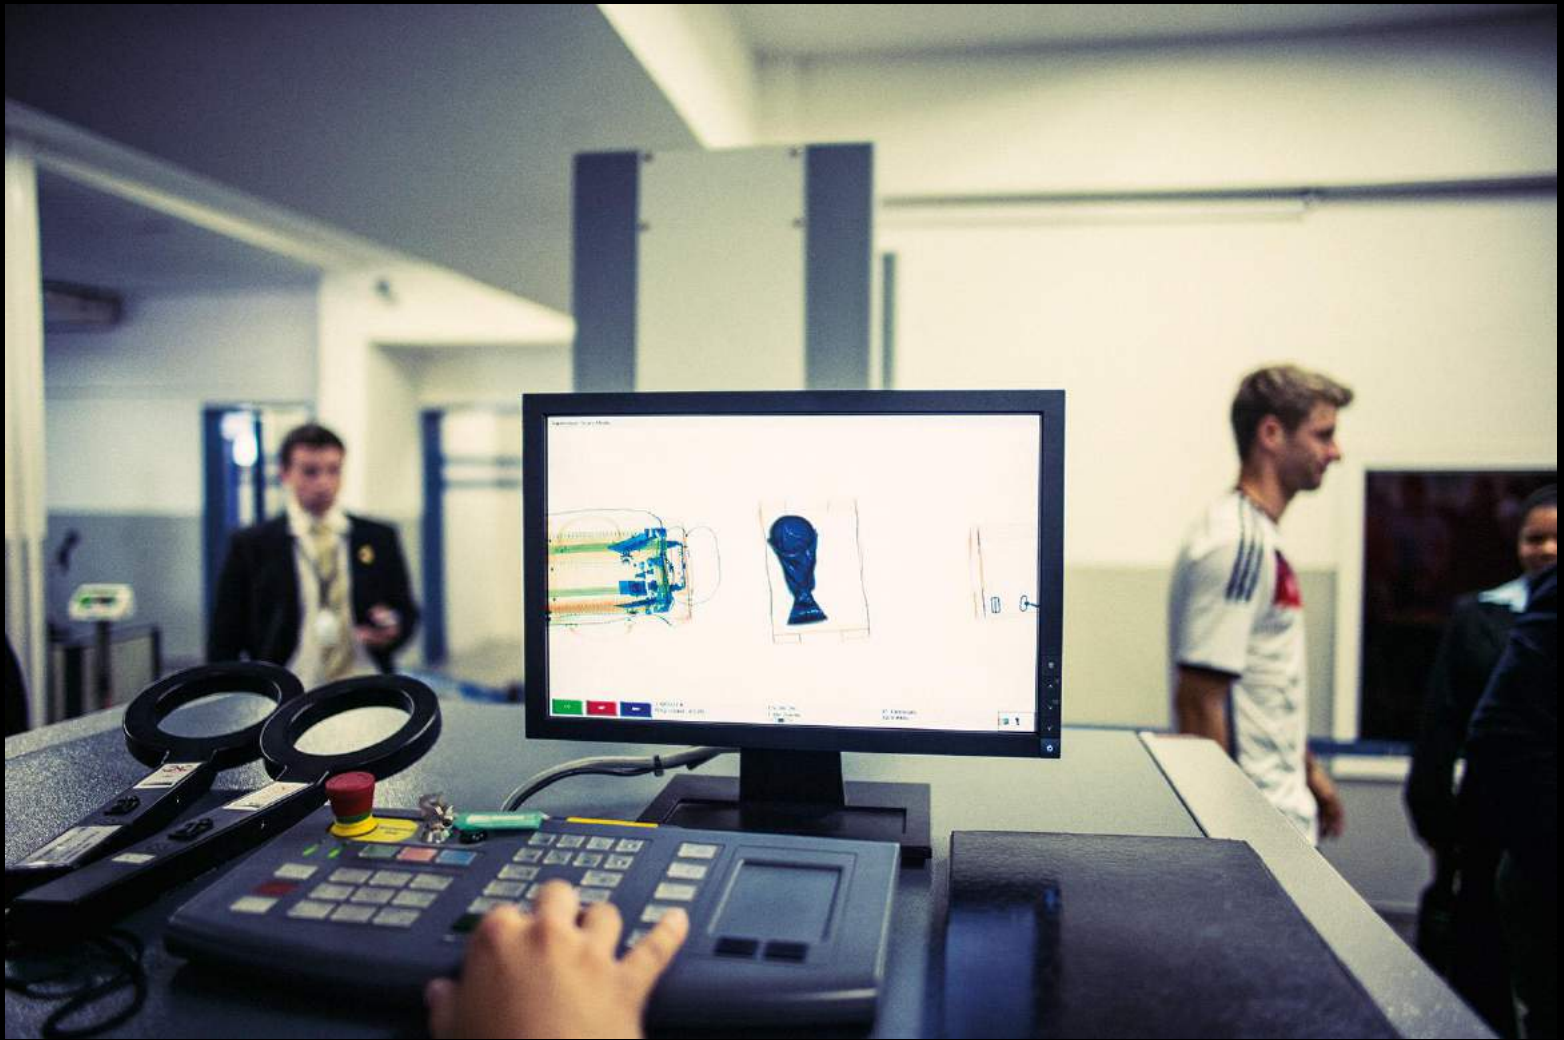

ONE NIGHT IN RIO

16 Poldi, Flamengo, Rio, Hotel.

After ONE NIGHT IN RIO, Lukas Podolski almost like in front of a paradisiacal Mural.

An incredible scenario in Berlin, capital of the world champion. And everyone, absolutely everyone is stunned with joy. Look quiet closely...

ONE NIGHT IN RIO

26 Basti, Black, Red, Gold.

Bastian Schweinsteiger after the Berlin procession. When I see this picture I remember the photographer Paul Ripke saying, that he had needed more than three months to process the flash of these days. „The fourth star“ took a lot of force but it gave even more pleasure. What a sight!

ONE NIGHT IN RIO

27 Helene, Gold, Berlin, 4th star.

Helene Fischer. This woman and her song makes even the best, the world champions weak. Please, do not look at the details!
